MEMORANDUM

MARCH 29, 1984

TO: BOSTON REDEVELOPMENT AUTHORITY

FROM: ROBERT J. RYAN, DIRECTOR

SUBJECT: AUTHORIZATION TO ENTER INTO DESIGN SERVICES
CONTRACTS WITH FIVE FINALISTS FOR THE COPLEY
SQUARE DESIGN COMPETITION, FROM NEA GRANT FUNDS

On February 10, 1984, a nine-member design jury selected five finalists from 309 design submissions for the redesign of Copley Square. These five finalists were invited to participate in the second stage of the competition. On April 26th, the designs of these five finalists will be submitted to the Authority for a final review and, subsequently, reviewed by the nine-member design jury on May 17th and 18th. In accordance with the original grant from NEA, each of the finalists teams will be reimbursed for \$5,000 of costs incurred for the design competition. Such funds are being provided at no cost to the Authority. At this time, all of the finalists have commenced work and will be completing their second stage drawings shortly.

I, therefore, recommend that the Director be authorized to enter into a design contract with each of the five finalist designers (see attached list), who are competitors in stage two of the Copley Square design competition; at a fee not to exceed \$5,000 each, to be paid from grant funds received from the National Endowment for the Arts and at no cost to the Authority.

An appropriate vote follows:

VOTED: That the Director be, and hereby is, authorized to enter into a design contract with each of the five finalist designers on the attached list, who are competitors in stage two of the Copley Square design competition, at a fee not to exceed \$5,000 each, to be paid from grant funds received from the National Endowment for the Arts and at no cost to the Authority; and, further, the Director is authorized to make the initial payment of \$2,500 to the designers on the attached list upon commencement of second stage submission drawings.
